

WRIT OF ERROR GRANTED IN MAYO BRIDGE CASE

Supreme Court to Review Right to
Charge Street Car Company
for Its Use.

GARRISON APPEAL DENIED

Must Serve One Year in State Peni-
tentiary for Employing Forged
Order on Treasurer of Prince Wil-
liam County.

By granting a writ of error and su-
persedeas to the judgment of the law
and Equity Court, the Supreme Court of
Appeals yesterday gave the city of
Richmond another opportunity to win
its suit against the Virginia Railway
and Power Company for the sum of
\$10,000 a year and interest, alleged to
be due the city by the street railway
company for its use during the last two
years of tracks over Mayo's Bridge, ex-
tending over James River from the
foot of Fourteenth Street.

The company's defense is that, under
the terms of its franchise, granted by
the city to the Richmond Passenger and
Power Company and inherited by the
present corporation, it is required to
operate its line from Main Street south-
wardly along Fourteenth Street to the
northern limits of old Manchester on
the south side of the river. It is will-
ing to pay for the construction of
tracks and overhead fixtures, but not
for the use of the bridge.

CITY CONTENDS FOR SPECIAL

CHARGE FOR USE OF BRIDGE.
City Attorney Pollard, representing
the other side in the suit, sets forth
the argument that the city, at the time
of granting the franchise did not have,
nor never has had, the right to grant a
franchise to a street railway company
to operate its cars within the city
limits, except on the streets. He also
contends that the Richmond Passenger
and Power Company was not granted,
in express terms, any such privilege.

The court took favorable action yes-
terday on the petition of the Southern
and the Chesapeake and Ohio Railways
for a rehearing of the suit instituted
against them in the Circuit Court of
Prince William County by William J.
Sullivan to recover damages for per-
sonal injuries alleged to have been sus-
tained when the Southern train, on
which he was riding, collided with the
wreckage of a Chesapeake and
Ohio train, near Bristol. In the lower
court, Sullivan was awarded \$5,000
damages.

W. W. Garrison, who was sentenced
in the Circuit Court of Prince William
County to one year in the State Peni-
tentiary on an indictment charging him
with employing a forged order on the
treasurer of the county, failed in his
effort to secure a rehearing of the
case.

CHURCH ADVERTISING

Committee to Hear From Dr. Douglas
Freeman To-Morrow Afternoon.

Will Discuss Large Fund.
Further discussion of plans for the
proposed church advertising campaign
will be had to-morrow afternoon at a
meeting of the directing committee,

Freeman will be the principal speak-
er. It is probable that the special com-
mittee, of which W. S. Rhoads is chair-
man, will consider means for raising
the campaign fund, which may be in-
creased from \$15,000 to \$25,000 as many
are in favor of the larger sum. There
are 140 churches in Richmond, and all
will be benefited by the campaign,
which is to be conducted along un-
denominational lines, advertising pri-
marily the need of steady church at-
tendance.

Not the Same Man.

GRANDPA DIDN'T NEED CASCARETS FOR THE BOWELS

Two hours a day sawing wood
will keep liver and
bowels right.

You who take exercise in an
easy chair must take
"Cascarets."

Enjoy life—fed bully! Don't stay
sick, bilious, headachy, constipated.
Remove the liver and bowels poison
which is keeping your head dizzy, your
tongue coated, your breath offensive,
stomach sour and your body full of
cold. Why don't you get a 10 or
25-cent box of Cascarets at the drug
store and enjoy the nicest, gentlest
liver and bowel cleansing you ever ex-
perienced. Cascarets work while you
sleep. You will wake up feeling fit
and fine. Children need this candy
cathartic too.—Adv.
